

Case Studies

Kingswood Bath

Kingswood School is an independent day and boarding school in Bath, Somerset. The school is coeducational and educates over 1,000 children aged 9 months to 18 years

We worked closely with the Kingswood marketing team to create a signage scheme that would be in keeping with the picturesque grounds and listed buildings.

Furthermore we developed a site wide wayfinding masterplan for the School, linking all facilities and the three campuses consisting of Prep, Senior and Sports together.

Once the overall requirements had been agreed, we worked with our client to create a phased implementation programme that would work in-line with their budgets.

The initial phase also required planning due to the school being within a conservation area, this was undertaken by Mödel on behalf of the client.
