

Case Studies

EuroCentral

Eurocentral is one of the largest industrial estates in Scotland, encompassing an area of 650 acres, situated on the edge of Holytown and Mossend, North Lanarkshire, just off the A8/M8 motorway.

Mödel designed and delivered signage across the estate, including a number of complex 11 metre high bespoke totems, a centrepiece 10 metre long by 2 metre high bespoke granite monolith with illuminated architectural lettering and a 10 metre by 4 metre motorway hoarding.
